

About the Baldrige Performance Excellence Program

Created by Congress in 1987, the Baldrige Program helps organizations improve and succeed in the competitive global marketplace. It is the only public-private partnership and Presidential award program dedicated to improving U.S. organizations. In collaboration with the greater Baldrige community, the Baldrige Program offers a systems approach to organizational excellence, award-winning leadership development, self-assessment tools, organizational assessments by teams of trained experts, presentations and workshops on how to improve, and conferences and other events that showcase best management practices.

Maryland National Role Model

Success Story

Montgomery County Public Schools  Montgomery County Public Schools (MCPS) is the public school system (pre-kindergarten through 12th grade) for Montgomery County, Maryland. It is the 16th-largest school district in the United States, with 200 schools providing educational and support services for more than 144,000 students of wide-ranging ability and achievement levels. MCPS's enrollment reflects the cosmopolitan makeup of the national capital area, with students from 164 countries speaking 134 languages. With headquarters in Rockville, the system employs 22,229 staff members, including 11,673 teachers, and had a budget of \$2.1 billion for fiscal year 2011.

Selected Results

- At the elementary level, increases of 10.2 percentage points for limited English proficient students, 8.3 percentage points for students receiving free and reduced-priced meals, 7.1 percentage points for African Americans, and 7.6 percentage points for Hispanics in reading performance used to determine Adequate Yearly Progress
- At the middle school level, increase of 8.4 percentage points in students earning a proficient or advanced score, with all subgroups demonstrating increases
- For 5 consecutive years, no elementary schools with the highest poverty levels on the Maryland State School Improvement list
- 64% of graduates taking at least one AP exam in 2009, compared with 27% nationally and 40% in Maryland
- For the class of 2010, average student total SAT score of 1653, better than the national average
- 79.7%–86.7% parent satisfaction over 6 years, compared to a national average of 54%
- Greater than 90% teacher satisfaction

Maryland Performance Excellence Foundation

The Alliance for Performance Excellence (www.baldrigepe.org/alliance), a network of regional, state, and local Baldrige-based programs, serves organizations from all industry sectors and nearly all U.S. states. These programs rely on the Baldrige Program for the Baldrige Excellence Framework and other resources but operate without financial support from the Baldrige Program. The Maryland Performance Excellence Foundation (www.marylandexcellence.org) is a tax-exempt, charitable organization that serves the people and organizations of Maryland by advancing performance excellence through education and training, assessment and feedback, leadership and advocacy, networking and sharing of best practices, and recognition.
